

My Chromebooks (4)

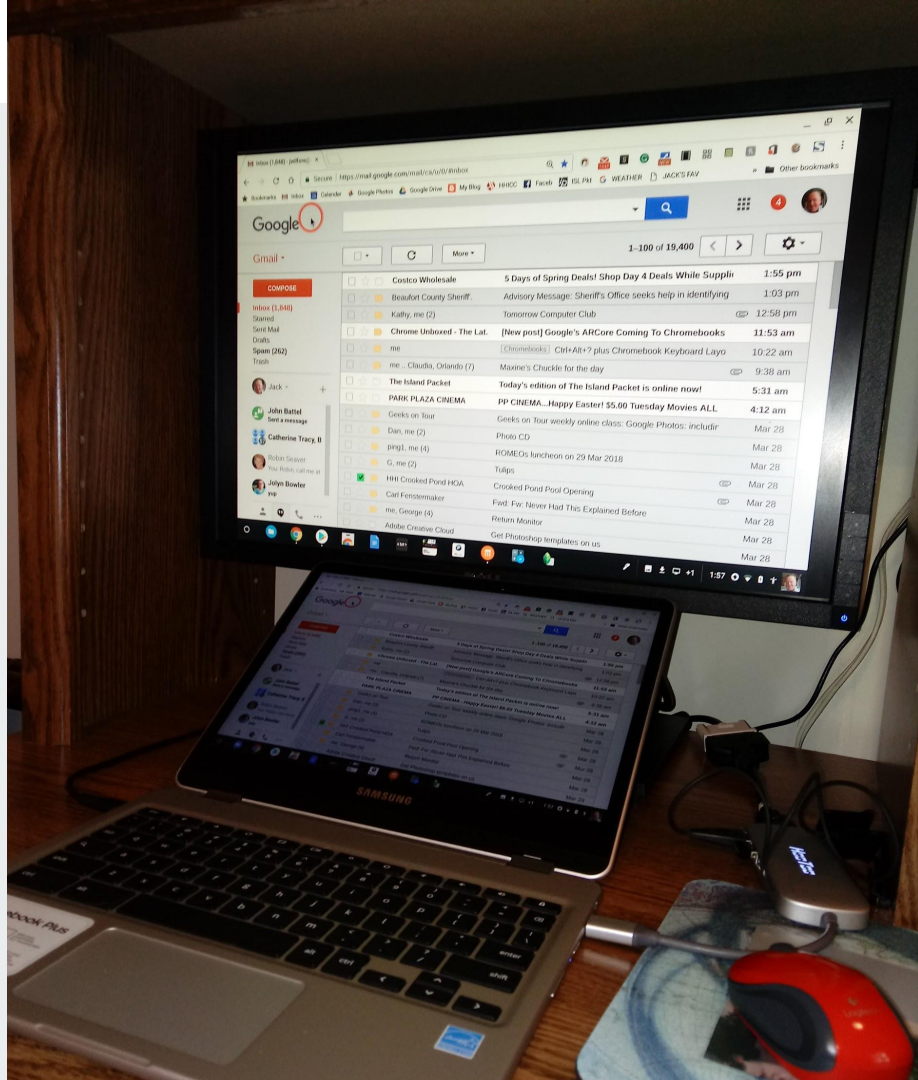

My Chromebooks (4)

- CTL J5 - for education - January 2017, \$275
- **Samsung Chromebook Plus** - March 2017, \$419
a year later it became my coffee device/desktop
- **Samsung Chromebook Plus** - June 2018, \$419
- Samsung 3 - November 2018, \$167
cheap for travel, it's also my wife's portable machine

Touch Screens, 64 GB Micro SD Cards

Coffee-Chromebook

Desktop Computer

19" Thrift Shop monitor - \$20
Remote Chromebook
keyboard - \$10

*Works like a charm,
but it never travels*

Likes

- Everything I do is device independent
- Portability, fast, easy, extra storage, tabs, Apps
- Docs, Sheets, Slides, Drawing, Google Sites
- Bookmarks - where your stuff is
- Stylus - quick shortcut of anything
- Speak to type
- What you don't know is a simple search away
- Use my CBs 99.9 % of the time, no more MS

Dislikes

- 
- File management is new and different - learning, cut copy & paste, drag and drop, download, storage
 - Some trial and error

Demo - Show & Tell

- My Drive - Google Suites,
 - Quick Access - Recent, Folders & Files, Docs (Word), Sheets (Excel), Slides (PowerPoint), Drawing (Publisher), Google Sites
 - 64 GB Micro SD Card, 64 GB USB Thumb Drive
- Bookmarks on the Chrome Browser
- Extensions - Apps Launcher, PIP, Web Paint, One Tab, Grammarly

- Apps Launcher
- Shelf ... Google Sites, Chromebook Simulator, Evernote,
- Web Site Shortcuts
