

The screenshot shows the Instagram login page on a desktop browser. The browser's address bar displays 'www.instagram.com'. The main content area features the Instagram logo at the top, followed by input fields for 'Phone number, username, or email' and 'Password', and a blue 'Log in' button. Below these are options for 'OR', 'Log in with Facebook', and a link for 'Forgot password?'. At the bottom of the login section, there is a link for 'Don't have an account? Sign up'. Below the login section, there is a 'Get the app.' section with buttons for 'Download on the App Store' and 'GET IT ON Google Play'. An overlay of a smartphone is positioned on the left side of the page, displaying a chat conversation with a contact named 'lil_japislazuli'. The chat messages include: 'hahahah omg', 'My friend Sarah will love this', 'So good lmao', 'When are we hanging out? Going to be hot on Saturday', 'I'm super down for Saturday?', 'Meet at the park? 1pm?', 'Perfect seeya then', and 'Good stuff today Reels just keep getting better'. The smartphone also shows a 'Travel' category at the top and a home screen with various photos.

The screenshot shows the Instagram sign-up page on a desktop browser. The browser's address bar displays 'www.instagram.com/accounts/emailsignup/'. The main content area features the Instagram logo at the top, followed by the text 'Sign up to see photos and videos from your friends.' Below this is a blue button for 'Log in with Facebook'. Below the button is an 'OR' separator, followed by input fields for 'Mobile Number or Email', 'Full Name', 'Username', and 'Password'. Below the input fields, there is a link for 'Learn More' and a paragraph stating 'By signing up, you agree to our Terms, Privacy Policy and Cookies Policy.' Below this is a blue 'Sign up' button. At the bottom of the sign-up section, there is a link for 'Have an account? Log in'. Below the sign-up section, there is a 'Get the app.' section with buttons for 'Download on the App Store' and 'GET IT ON Google Play'.

The screenshot shows a web browser window with the URL `help.instagram.com/811572406418223/?helpref=hc_fnav&locale=en_US`. The page title is "Managing Your Privacy Settings". On the left is a navigation menu with categories like "reporting", "Managing Your Privacy Settings", "Privacy Settings & Information", "Controlling Your Visibility", "Blocking People", "Third Party Apps", "Instagram on the Web", "Login and Passwords", "How to Report Things", "Australia Online Safety Act on Instagram", "Impersonation Accounts", and "Terms and Policies". The main content area features a large Instagram logo on a purple-to-orange gradient background with the heading "Managing Your Privacy Settings" and a "Copy link" button. Below this, it states "Your privacy is important to us, which is why we provide tools to help keep your account secure and your privacy protected." and lists steps to learn how to: "Set your account to private.", "Block someone and what happens when you block someone.", "Turn off your Activity status.", and "Access and review your data on Instagram."

The screenshot shows a web browser window with the URL `help.instagram.com/370452623149242/?helpref=hc_fnav&locale=en_US`. The page title is "Delete Your Account | Instagram". The left navigation menu includes "Instagram Features", "Manage Your Account", "Signing Up and Getting Started", "Adjust Your Account Settings", "Notification Settings", "Adding Accounts", "Delete Your Account" (highlighted), "Verified Badges", "Accessibility", "About Instagram Ads", and "Staying Safe". The main content area is titled "Temporarily deactivate your account from Accounts Center" and provides a 5-step numbered list: 1. Click **More** in the bottom left, then click **Settings**. 2. Click **Accounts Center**, then click **Personal details**. 3. Click **Account ownership and control**, then click **Deactivation or deletion**. 4. Click the account you'd like to temporarily deactivate. 5. Click **Deactivate account**, then click **Continue**. A note follows: "Note: You may not be able to deactivate your account from Accounts Center at this time." At the bottom, there are links for "Delete your Instagram account" and "Access and download your information on Instagram".

The screenshot shows the Instagram Help Center interface. At the top left is the Instagram logo and the text 'Help Center'. To the right is a search bar with the placeholder text 'Search help articles...' and a language selector set to 'English (US)'. On the left side, there is a vertical navigation menu with icons and text for: Safety Tips, Tips for Parents, Being Your Authentic Self on Instagram, and Abuse and Spam (which is highlighted in blue). The main content area is titled 'Abuse and Spam' under the sub-header 'Staying Safe'. The text explains that users can report inappropriate posts, comments, or people not following the Community Guidelines or Terms of Use. It also notes that reports are anonymous, except for intellectual property infringement.

This screenshot shows a different article in the Instagram Help Center. The browser address bar shows the URL 'help.instagram.com/165828726894770/?helpref=hc_fnav&locale=en_US'. The left navigation menu is expanded to show 'Staying Safe' with a sub-menu including: Sharing Photos Safely, Safety Tips, Tips for Parents, Being Your Authentic Self on Instagram, Abuse and Spam, Ways to deal with conflict or abuse on Instagram, Self-Injury, and About Eating Disorders. The main article is titled 'Control what you see on Instagram'. It lists three actions users can take: 'Report it from within the app', 'Unfollow the person', and 'Block the person'. A 'View Full Article' link is visible at the bottom right of the article content. Below the article, there is a section header 'Protect yourself from phishing on Instagram' and a sub-header 'What is phishing?'. The text defines phishing as an attempt to gain access to an account via suspicious messages or links. An example is provided: 'Example: Joey gets an email saying he needs to log into his Instagram account and read an'.
