*"70 Shelter Cove Lane, Suite L
inside the HHI Senior Center"*

Founded in 1989

**Members helping Members,
help themselves!**

HHICC History

- **Began with 11 people with a shared interest in 1989**
- **We immediately began our community service, teaching non credit computer classes at TCL**
- **501(c)(3) Non-Profit Organization since 1992**

HHICC Today

- **One of the largest NFP's on Hilton Head Island**
- **About 1000 members**
- **Members want to buy or use their first computer (or tablet, or iphone),**
- **New users, experienced and even a few (but only a few) advanced computer users**
- **“Long lasting” volunteers who want to share – members helping members**
- **Volunteers also share experiences and knowledge with many community service organizations**
- **We all learn**

HHICC Purpose

- 1. To educate the general public in personal computer use, and provide instruction in, and dissemination of, educational material in the public interest including, but not limited to, material relating to the fields of personal computer software and hardware, computer related devices, the Internet and electronic communications.**
- 2. To provide a forum for the exchange of ideas, knowledge, and experience in the field of computer literacy at all relevant levels of technical expertise.**

HHICC Evolution

- Over the years, always been dealing with change
- Devices like desktops and laptops, Windows and Macs, Smartphones, Tablets, iPads, Kindle Fires, All in Ones, and many more devices
- Internet, wi-fi, modems, routers, apps, cloud storage, etc.

Challenge - things are changing ever so quickly, and HHICC can help!

Club News

There is still a selection of photo paper at the center that is free for the taking.

The Center is getting busy once again and we're glad to see that! Appointments are not necessary. Stop by with your questions and also remember **you can come to learn, not just fix problems.**

Make a list of things you want to know how to do on your device and bring it with you so our volunteers can give you personalized help. **Be sure to bring your passwords with you!**

If you are a Chromebook fan or are interested in learning more about the device be certain to stop in Fridays from 1 to 4pm to visit with our Chromebook specialist, Harvey.

Many of our volunteers are still traveling so it is suggested you call ahead to ensure that a volunteer that can handle your issue is on staff that day.
