All videos are listed by number.

## **Before you Go: Research and Planning**

Research Tools: Google Maps: Save Places Google See Video # 765

MyMaps Video 585 Make your own map 692. Create a Travel Map

Planning: Tripit App – Video 783 Tripit Travel Organizer

## **While you're there**

Staying connected with your cellphone – International Data plans. Our favorite is Google Fi, here is a link for \$20 off your first month: <https://g.co/fi/r/VYM26F>

Google Translate – See Button Show 118

Keeping your devices Charged – see our Amazon store for the products we use:

<https://www.amazon.com/shop/geeksontour>

## **Photo Albums for sharing and remembering**

Don't wait – start the album the first day and share with friends and family as you go. When you get home, you're done. See video 633
